

A Humanitarian Organization Without Boundaries

Snowmen of Stroudsburg Artists' Request for Proposal Requirements

1. Please provide front, side and back sketch (attached sheet) of each design example of a Snowmen you desire to submit for proposal. All works will be **juried** and designs will be selected and artists contacted, and a schedule for receiving the Snowmen sculpture will be created. **Artists must be within a 10 mile radius of Downtown Stroudsburg for drop off of a sculpture, and pick up or supply their own transportation on schedule (truck or large SUV required).**
2. The Snowmen consist of 3 spherical balls that you must depict your tentative design onto **directly from the sketches you submitted to GO Collaborative**. Actual Snowmen must look like the depicted winning sketches. (Suggestion: Go to your local craft store and pick up a 6", 4", and 2" diameter foam balls, decoupage surface for a mock-up. 3D surfaces are quite different than flat surfaces to create on).
3. Snowmen will be received by you 100% assembled (less arms and special attachments).
4. **Required:** a garage, tall canopy or tent, 32" wide doors OR enclosed area to create/work on the sculpture. Each Snowman sculpture is 30 inches wide x 5' 6" tall with 2-15" iron "legs" sticking out of the bottom (the sculptures each come with a stand to be able to work/design on as it stands upright). This increases the overall height of the sculpture to approx.. 7'2" high. Please check doorways, a minimum of 32" wide is required to get them through.
5. **Once the Snowmen designs have been approved artists will have a maximum of 6 weeks to finish the Snowmen and contact us for returning them.**
6. The GO Collaborative Team will be visiting on occasion to document your progress, discuss arm placement, etc.
7. **NO oil-based paint or enamel. Spray paint cannot be used (unless a water-based quality acrylic)** on any part of the sculpture. (if you do, it will cause the underlying material to melt/disintegrate and the artist will be responsible if incorrect materials are used. **IF YOU HAVE QUESTIONS, please call prior to using any questionable materials.**
8. **Yes exterior house paint (Latex) or acrylic paint** can be used anywhere on the Snowmen. **PLEASE use quality acrylics that will not fade or run. All materials added are at the artists' expense.**

A Humanitarian Organization Without Boundaries

9. Artists must supply their own design eyes and nose and mouth or hats, etc. *We can help with suggestions!* **All artists are responsible for any damage to our Snowmen sculptures.** *If you have questions, please contact GO Collaborative at originsgallery1@gmail.com.* We have tested many different processes/glues and materials that **DO NOT WORK** on the snowmen sculptures.
10. If depicting artwork, it must cover the entire body of the sculpture.
11. If adhesives are required, please use clear outdoor silicone, gorilla glue or exterior landscape adhesives. **Suggestion:** use spray-foam insulation to build up areas (ask about molding spray foam – it's easy).
12. Artists' mediums/accessories to use: fabric, ceramics, plastic, waxed or treated for weather duct tape, paper, sand, foil, glitter, wood, foam or Gesso, feathers and other lightweight materials- all must be weather-treated – **add-on materials can't exceed a total combined weight of 15 additional pounds.**
13. There will be a balloted contest for Best Snowmen at the end of the season with three cash awards for the best Snowmen of Stroudsburg!
14. Nothing Political, Religious, no mascot business names or logos, no club or organization can be depicted. Nothing depicting any kind of violence, and must be non-prejudicial. This is an art installation for all and family-friendly. (Note: taking photos of last years' snowmen sculptures brings inspiration)

ARTISTS: Will receive CONSISTANT ADVERTISING as soon as the Snowmen are placed, through the 12 weeks of display or more. PLUS, will be heavily advertised through all media sources of GO Collaborative, and identification plaques located at each particular Snowmen location. There will be a vote platform for your favorite snowman with Snowmen sculptures and artists' name.

A Humanitarian Organization Without Boundaries

For more information on any of this please contact:

Jody Singer at originsgallery1@gmail.com or Jim Evanisko in person

You can go to www.gocollaborativestbg.com to see some design ideas/examples and for more information.

Please fill out the following (use additional paper if necessary) and RETURN to originsgallery1@gmail.com

GO Collaborative 111 N.8th Street Stroudsburg, PA 18360

Deadline for submissions is: July 1st – no exceptions.
